Mr. Paul Elam
A Voice for Men

[REDACTED]
Houston, TX [REDACTED]

Dear Mr. Elam:

We noted that our security letter, to you, was posted on your public site. Per article 13 of your contract, you are not able to post our correspondence, letter head, logo etc without our prior approval. As a neutral meeting venue, we do not take sides or share our opinions on events at our hotel to the public. We therefore are not approving the use of our letter in any format and require that it be removed from your website immediately.

We are aware that you have started the process of hiring the Detroit Police Department and meeting our insurance requirements. To be clear, the expectation is that we receive a copy of the signed contract and proof that it is paid in full and non-cancelable by the deadline of June 6, 2014 to avoid cancellation.

Sincerely,

Shannon Dunavent
