I have personal knowledge of the facts stated below and they are true. Where facts are stated on information and belief, I believe them to be true. If called upon to testify, I would and could competently testify thereto. This declaration in lieu of live testimony.

2) In fact, in 2005 I directed a film entitled "The Boys & Girls Guide To Getting Down", which primarily centered around nightlife on the Cahuenga strip. I cast Francis "Coyote" Shivers in a cameo appearance in the film because of his omnipresence on the Cahuenga strip, as I have seen him over many years both Dj-ing and socializing in almost every establishment on the Cahuenga strip.

3) In the 7 years since that time, I have continued to see Mr. Shivers in these same establishments, at home in what would be considered his social circle. It would be an understatement to say it might be likely to find Mr. Shivers along this strip of Cahuenga.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
