Subject: [GWST] KSU Men/A Voice for Men - Discussion Scheduled September 3rd at 10 am

Hello all,

Our most recent program meeting included further discussion of KSU Men/A Voice for Men. For those of you who weren't able to attend, the most recent update from the Dean of Students is that the group has retained one faculty advisor and the conference is still scheduled to proceed.

Robbie Lieberman, again, has offered to facilitate further discussions among interested groups/parties. We have scheduled a first meeting for Wednesday, September 3rd at 10 am in SO 4060.

As many people have stated again and again, this is not just a GWST program issue or a Women's Center problem. It concerns a host of individuals, programs, and groups across campus and our communities. Because of that, we'd like to invite all interested parties. If you know of an interested party that may not be on this list-serve and who should be invited, please forward their name(s) to me or to Robbie Lieberman or feel free to go ahead and invite her/him/them. If you can't make the meeting or know of someone who should be there and cannot, please let me know so that we can talk before and/or after the meeting. We'll be sure to vary the second meeting time to make sure we accommodate as many people's schedules in the coming weeks as possible.

Also, be on the lookout for an announcement regarding a related, upcoming GWST fall event on Men, Masculinity, and Feminism to be scheduled for late October.

I look forward to seeing you soon!

Stacy
