Narrative text

On 8/27/2014 at 1121 hours, I met with Stacy Keltner (Faculty) at the Public Safety Building.

Keltner wanted to report an incident involving Sage Gerard (student) on 8/26/2014. Prior to speaking with Keltner, she completed a voluntary statement of facts which is attached to this report.

Keltner stated on 8/26/2014 while she was in a meeting she received a text message from her Department Chair Robbie Lieberman (Faculty). Lieberman told her that Sage Gerard was in the office of Interdisciplinary Studies and requesting to see her. The message also stated Keltner may want to avoid coming back.

Keltner stated she immediately left the meeting and returned to her office where her 2 year old daughter was with a babysitter. Keltner stated she remained in her office until Gerard left the ISD office. Keltner stated after leaving the ISD office Gerard went to the sidewalk office outside her window and the window of the ISD office and wrote on the sidewalk, "KSU MEN/A VOICE

FOR MEN" with chalk. Keltner stated after writing on the sidewalk Gerard took pictures of the writing and pictures of the people standing around looking at the writing.

Keltner stated she fears for her safety and the safety of her family and colleagues.

Keltner stated she has seen the cartoons, video and blogs online and believes Gerard demonstrates having violent fantasies about hurting and murdering women. Keltner also believes Gerard is interested in challenging/silencing all women and gender programs and educational activities on campus. Keltner stated as the coordinator of gender and women's studies she is a prime target. Prior to the completion of the interview Keltner asked me if she should resign her position with Interdisciplinary Studies.

I told to Keltner about the buddy system and security escorts provided by the KSU Police Department. I explained to Keltner that the KSU Police Department Criminal Investigations Unit was aware of Gerard and his organization.

A security escort was provided for Keltner to her vehicle.
