On Wednesday September 03, 2014, at approximately 1624 hours, I was dispatched to the Social Science Building, room 2005, in reference to harassing communication. Upon arrival at the scene, I met with complainant Thomas M. Pynn (faculty). Pynn advised that KSU student Sage L. Gerard had just sent him a possible threatening email. I asked Pynn if I could look at his email to determine if the email Gerard sent him was threatening. I observed no threatening messages. I contacted Detective Altman and advised him of the incident. I was advised by Detective Altman to make a report and get a copy of the email Gerard sent to Pynn. I had Dispatch check Pynn through GCIC and he returned valid with no wants. I gave Pynn a business card with the case number regarding the incident and advised him that the report will be completed in 3-5 business days. I left the scene without incident.

A copy of the email is attached to the report.

There is no known video of this incident.
