If I see one more unlocked car/house/burglary analogy re: "precautions" and rape victims...A person's body is not, by default, unlocked.

**The Jack Barnes** @Jackbar... 19 Apr

@CardsAgstHrsmt your body is your property. It's your responsibility to protect it like your house or your car.

**Timothy de Vil**

@gothytim

@Jackbarnesmra @CardsAgstHrsmt
Bullshit. It's other people's
responsibility not to be raping,

thieving scumbags.

Back online after spending the afternoon w family crisis, so no, I'm not thrilled at the idea of AVFM targeting me, but that's who they are.

I'll say this: if your punitive "hit piece" requires that you print info about them they actively keep private, own what you're doing & why.

Lindsey @CardsAgstHrsmt

are but annoying belches coming from deeper indigestion. I have bigger issues to tackle than them.
